

## PROPERTY TAXES GOING UP AGAIN?

Imagine being able to lower your monthly mortgage payment by \$300.00 or more per month. Some families may find that they could finally afford that new roof they've been putting off. Perhaps a well deserved family vacation. This amount could also save many families in Pennsylvania from losing their home altogether.

The **Property Tax Independence Act (Senate Bill 76)** will abolish school property taxes by increasing both the Pennsylvania sales and personal income taxes.

Don't get blindsided by another property tax increase. Find out more by visting [ptcc.us](http://ptcc.us) or [realreform76.com](http://realreform76.com).

## IS YOUR RENT GOING UP AGAIN?

Imagine your landlord coming to you and telling you your rent is going *down*. Maybe you've been dreaming about home ownership but property taxes put that goal just out of reach. Perhaps you've been denied a mortgage simply because of the additional monthly amount needed for property taxes.
